

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 21, 1996

SUBJECT: **SB 3062 - HB 2887**

This bill, if enacted, will require the Director of the Division of Regulatory Boards, or his designee, to serve as *Executive Director* for the Board of Funeral Directors and Embalmers, and to provide all administrative functions for the Board.

Current law requires the Director of the Division of Regulatory Boards, or his designee, to serve as *Secretary* for the Board of Funeral Directors and Embalmers.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures of approximately \$15,000. This estimate assumes the current administrative director position, serving as designee for the Director of the Division of Regulatory Boards, will be raised to an executive director level position with a salary and benefits adjustment.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
